6. Additional Terms and Conditions

- 6.1 **Reagent and Supply Exhibit:** The Reagent and Supply Exhibit attached to this Schedule details Your annual Commitment.
- 6.2 **Equipment:** Equipment 1-7 already on site.
- 6.3 **HCV Kit-** Roche agrees to make pricing available for this product 05480442190 HCV Monitor v2.0 at \$3,417.75 with a commitment of 66 kits. This is optional to You during this 36 month term, via an Amendment.
- 6.4 **Consolidation:** During the first 6 Months of this Agreement Peacehealth Labs will consolidate their current HIV Viral Load testing at Peacehealth SW MC to the Cobas Ampliprep-TaqMan System at Peacehealth Labs Springfield.
- 6.5 **Discounts:** All Equipment, Products, items, allowances and services "Included in Reagents", provided at "No Additional Charge", or identified as Discounts hereunder shall constitute a "Discount" (as that term is defined in 42 CFR part 1001.952(h)) against the Reagents and Supplies that You commit to purchase. In the event of a default by You, Roche may require You to pay for the pro-rata remaining value of any Discounts.
- 6.6 **Training:** Roche will provide technical training for the Products acquired under this Schedule. Roche will assume responsibility for expenses Roche deems reasonable and necessary to provide this training, such as tuition, meals, ground travel and lodging. Additional telephone support is available 365 days per year, by calling Roche at 1-800-440-3638.
- 6.7 **Airfare:** Roche agrees to pay airfare up to \$650.00 per each training slot in Section 2. To and from Indianapolis, IN.
- 6.8 **Freight:** Roche agrees to pay all freight, shipping and delivery charges associated with the equipment. You will remain responsible for all freight, shipping and delivery charges that are expedited.
- 6.9 **Additional Training:** Roche may agree to provide additional or refresher training during the term under appropriate circumstances (e.g., replacement of initially trained operator or instrument performance issues indicating need for new or refresher training). Roche will document such additional training and the parties' agreement with respect to an allocation of the training costs (e.g., airfare, lodging, ground transportation and tuition) in a letter agreement.

Roche Diagnostics Corporation Product Schedule

- 6.10 Acquisition of Validation Materials:** To the extent Customer is required to purchase validation materials (e.g., patient samples, controls, or quantification panels) from a third party for the purpose of Customer's method correlation and validation of the CT/NG & HPV tests, Roche will facilitate Customer's acquisition of such materials for Customer's validation purposes by providing a credit for the price of such materials (including taxes, shipping and handling). The credit may not exceed \$10,000 in the aggregate. Roche will provide the credit only after Customer has received delivery of all such materials and provided Roche with reasonable proof of payment (e.g., a copy of a paid invoice). This credit is valid for the twelve-month period beginning on the Effective Date of this agreement and will automatically expire at the end of that period.
- 6.11 Research Use Only Products:** Products intended for Research Use Only are not intended to be used for diagnostic or clinical purposes. Research Use expressly excludes any and all diagnostic or clinical uses, including without limitation, use in the diagnosis of disease or other conditions, or in the cure, mitigation, treatment or prevention of disease in humans. Customer warrants and represents that it shall not use Research Use Only products for diagnostic or clinical uses.
- 6.12 LIS Interface Allowance:** In connection with the acquisition of the Equipment, Roche agrees to facilitate Your acquisition of an LIS interface by providing a credit of up to \$10,000.00 to be applied against any future Roche invoice for the Equipment, Reagents and/or Service included on this Schedule. This credit may be applied only during a twelve (12) month period beginning on the date on which Roche signed this Schedule below and will be applied by Roche only after You have: (a) engaged a third party vendor to provide the LIS interface and ensured satisfactory installation at Your site; (b) provided Roche with reasonable proof that the work has been completed (for example, vendor's final invoice); and (c) provided Roche with reasonable proof of payment to vendor. Any portion of the credit not applied to a Roche invoice during the twelve (12) month period after Roche's signature date on this Schedule will automatically expire.

7. Authorized Acceptance:

By signing this Schedule You warrant that You have the authority to execute this Schedule on behalf of Customer.
