STANDARD TERMS AND CONDITIONS

St. Jude Medical, S.C., Inc..

Contract Number: CCG STJ

The parties recognize that the pricing contained in this Agreement was negotiated by Account, Mercy Health, PeaceHealth, SSM, and Bon Secours Health System (individually "IDN" and collectively "IDNs") acting in conjunction with each other as "CCG". As a result, such pricing ("the Jointly Negotiated Pricing") between SJM and Account, Mercy Health, PeaceHealth, SSM, and Bon Secours Health System is contingent upon full acceptance of the same pricing by all four IDNs. Should any of Mercy Health, PeaceHealth, SSM, or Bon Secours Health System fail to execute a CRM agreement accepting the Jointly Negotiated Pricing within thirty (30) days following the execution of this Agreement, then pricing for each IDN shall revert back to pricing that was in effect immediately prior to the execution date of this Agreement, and SJM shall have no obligation to honor the Jointly Negotiated Pricing.

NOW THEREFORE, in consideration of the mutual promises contained herein and other good and sufficient consideration, the receipt and adequacy of which is hereby acknowledged, the Parties hereto agree as follows:

1.0 TERM OF AGREEMENT. This Agreement will remain in effect for the period of time set forth in Item 5 of the Cover Sheet, unless terminated earlier pursuant to the terms herein.

2.0 PRODUCTS COVERED. Seller shall provide the products described in Item 2 of the Cover Sheet, hereto (referred to collectively as "Products") pursuant to the terms of this Agreement including the pricing terms set forth in Exhibit A hereto. Upon Account' request, Seller shall provide Account with written notice of any Products in Exhibit A which are not manufactured by Seller (i.e., those Products which are manufactured by a third party), setting forth the Product name and the name of the actual manufacturer.

Seller shall provide Account at least sixty (60) days written notice of any proposed additions or deletions of Products, unit of measure changes, Product number/identifier changes, Product description changes and quantity per unit of measure changes. All such change requests are subject to review and written acceptance by Account, with such acceptance not being unreasonably withheld, and will be effective on the date agreed to in writing between the Parties. Notwithstanding the foregoing, Seller may decrease Product prices upon written notice to Account.

Seller acknowledges that Participating Members, subject to applicable laws and regulations, may reprocess, re-sterilize and reuse Products.

Without limiting any other provisions of this Agreement, Products include ("Enhanced Products") (i) any products or services that are described on Exhibit A and (ii) any used/refurbished Products. Upon written notice by Account, the Enhanced Products will be added to Exhibit A. The Products do not include new and upgraded versions of products not available for purchase as of the execution date of this Agreement. The Parties must mutually agree in writing before such products will be added to this Agreement.

3.0 PARTICIPATING MEMBERS.

Owned, leased, managed and affiliate facilities of Account. A complete detailed list of facilities is attached as Exhibit B. At any time after the Effective Date, IDN may request to add Facilities to "Participating Members" of this agreement, providing they are owned, leased, managed or affiliated with Account. New Participating Members may

request access to this Agreement by submitting a revised Exhibit B. New Participating Members are not eligible until a signed Exhibit B has been received, approved and signed by Seller.

The form of any agreement between Seller and a Participating Member and any amendments thereto shall be approved by Account.

Seller acknowledges that Participating Members include entities that are operated or chartered by, or a subdivision of, a federal, state or local government (a "Public Agency") and, as a result, the Public Agency may require Seller's compliance with certain contract terms or requirements ("Public Agency Terms") as required by applicable laws. Seller agrees that it will support Public Agency Terms as a condition to providing Products to the Public Agency as part of this Agreement. Account agrees to use commercially reasonable efforts to assist Seller with any questions about a Public Agency or Public Agency Terms as part of this Agreement, including obtaining copies of the Public Agency Terms where requested.

4.0 PARTICIPATION REQUIREMENTS. In order to be entitled to the pricing terms (described in Exhibit A hereto), Participating Members shall comply with the participation requirements set forth in Item 7 of the Cover Sheet.

5.0 TERMINATION OF EXISTING CONTRACTS. Any Participating Member desiring to avail itself of the benefits of this Agreement may, at its option and without liability, terminate any existing contract(s) or other arrangement(s) with Seller for the purpose of participating in the arrangement set forth in this Agreement.

6.0 ORDERING; SHIPPING; DELIVERY.

6.1 Payment Terms. Full payment must be made within thirty (30) days following delivery of Product(s), date of invoice, or acceptance of Product(s), whichever date is later. Seller will accept payment in the following forms: ePayables, cash, check, and electronic funds transfer.

6.2 Shipping Terms. Except as otherwise provided below, all shipments of Products directly to Participating Members or to Authorized Distributors from Seller shall be Net F.O.B.-Origin, with all costs of transportation and insurance being paid by Seller, with the exception of capital equipment, special delivery and/or air shipments requested by Participating Members. Such special delivery and/or air shipment charges shall be prepaid by Seller and invoiced to the requesting Participating Member for payment pursuant to the payment terms set forth in Section 6.2 of this Agreement, and such Product(s) pricing shall be reduced as appropriate by the amount of shipping charges that may have already been built into the price of the Product(s). Title and risk of loss shall transfer to Participating Members upon delivery to the Participating Member. Seller shall mark each shipment, packing slip, bill of lading, invoice, and any and all related documents with Participating Member's purchase order number ("PO Number").

Participating Members shall have ten (10) business days from the date of delivery to inspect the Product(s) and to accept or reject such Product(s). "Acceptance" of Products by Participating Members shall occur when Seller and the applicable Participating Member in good faith mutually agree that the Product(s). (a) conform(s) to the product specifications published by Seller or manufacturer (if Seller is not the manufacturer) at the time of order placement or as mutually agreed by Participating Member and Seller ("Specifications") and is completely ready to perform all procedures for which it is designed and marketed by Seller and, (b) is/are completely ready for clinical use. In the event a Participating Member, after such inspection, rejects the Product(s) the

STANDARD TERMS AND CONDITIONS

Participating Member shall have the right to return the rejected Product(s) for, at the Participating Member's option, full credit of purchase price or, if applicable, replacement of the rejected Product(s). Shipping terms for Products purchased from and shipped by an Authorized Distributor to a Participating Member will be negotiated between the applicable Participating Member and Authorized Distributor.

In the event that any shipments of the Products are to be prepaid by Seller and invoiced to the Participating Member and the Participating Member in its sole discretion establishes a freight management program, including without limitation a program whereby the Participating Member uses a third party for inbound freight management or services (a "Member Freight Program"), Seller shall accommodate such Member Freight Program at no additional cost to the Participating Member.

6.3 Minimum Order. Seller shall have no minimum purchase order requirement applicable to any or all Participating Members. For Products purchased from an Authorized Distributor, any minimum order purchase requirement will be negotiated between each Participating Member and the Authorized Distributor.

6.4 Guarantee of Delivery. Seller guarantees that all Products ordered by any Participating Member shall be delivered to such member within no more than the number of days of Seller's receipt of the Participating Member's order for the Product(s) as is set forth in Item 6 of the Cover Sheet. If Seller fails to deliver any Product(s) within the above mentioned time period, the Participating Member may purchase any substitute Product(s) from another source(s). Upon the request of any Participating Member, Seller will assist any such Participating Member in finding alternative acceptable sources for any Product(s) which Seller cannot deliver according to the guaranteed delivery time specified above.

6.5 Guarantee of Delivery under Emergency Conditions. In the event of a natural disaster or industry wide shortage of Products ("Emergency Condition"), Seller agrees to give priority to orders placed by Participating Members for Products during the duration of the Emergency Condition. Seller will use best efforts to set aside an adequate quantity of Products for the exclusive purchase by Participating Members for the duration of the Emergency Condition.

6.6 Return of Products. Any Participating Member, in addition to and not in limitation of any other rights and remedies, shall have the right to return Products to Seller, in accordance with Seller's return goods policy attached hereto as Exhibit C.

6.7 Ordering. Seller shall accept all orders of Products and parts submitted by The Participating Members and made in accordance with this Section. The Participating Members may place an order at any time with Seller for any Products identified in Exhibit A by contacting Seller as set forth below:

St Jude Medical
Toll Free: 800-374-8038
Toll Free Fax: 800-374-2505

and utilizing a purchase order. Seller shall deliver the Products in accordance with the terms of this Agreement to the attention of the individual and address identified on the purchase order.

All purchase orders hereunder may be submitted by the Participating Members by electronic order entry, telephone, mail, Internet or fax directly to Seller. Any orders placed after Seller's regular hours of operation shall be processed during the next business day.

6.8 Invoices. Invoices must include the following data in order to receive payment:

- Only one invoice should be filled out per patient. Products can be shipped together, but only one patients's data should appear on an invoices
- Product description, catalog numbers, quantity and product prices should be detailed on the invoice.
- Lot numbers and serial numbers of implants.

Seller will use commercially reasonable efforts to provide the physician's name and date of procedure on the invoice.

7.0 PRICING TERMS AND REBATES.

7.1 Pricing. Product pricing is set forth in Exhibit A hereto. Throughout the term of this Agreement, Seller shall not increase any of the prices set forth in Exhibit A. Pricing for Products sold to Participating Members at a unit of measure not specified on Exhibit A shall be calculated as a fraction or multiple, as the case may be, of the given unit of measure and price indicated on Exhibit A. (For example, if a case of a product is priced at \$100, and there are 10 items of that product within the case, and there is no price for one of such product listed, and the Participating Member wants to buy and Seller wants to sell one of such product, if available to purchase in this manner, then the cost of that one item would be \$10 (\$100/10).)

Participating Member will maintain its existing Member Agreement, including all pricing, unless Participating Member notifies Seller in writing of its decision to terminate the pricing contained in its Member Agreement and to purchase under this Agreement or Participating Member is listed on Exhibit B at the time of execution of this Agreement or through written amendment thereafter.

Seller may not directly or indirectly pass through to Participating Members any taxes that are imposed on Seller, or otherwise adjust the pricing terms of this Agreement in connection with any such taxes, including without limitation the medical device excise tax set forth in Section 4191 of the Internal Revenue Code; provided, however, that, for any Participating Members that are not tax exempt entities, Seller may separately invoice the Participating Member for any tax that Seller is required by law to pass through, or collect from, a purchaser of products.

7.2 Competitive Pricing. Subject to applicable law, Seller represents and warrants that the prices, terms and conditions offered by Seller to Account through this Agreement shall, at all times, be at least as good as those offered to any other customer with similar levels of purchase quantity and market share commitment, multiple product category commitments, confidentiality requirements and compliance history.

Notwithstanding any other provision of this Agreement, upon obtaining the prior written consent of Account (which may be withheld in Account's sole discretion), Seller may offer special acquisition programs to certain designated Participating Members to meet local market conditions, the terms of which shall be mutually agreed upon by Seller, Account and such Participating Members.

7.3 Pricing of New Products. Pricing for any products which the Parties mutually agree to add to Exhibit A will be negotiated at mutually agreed upon prices. Seller agrees to inform the Account

Contract Number: CCG STJ

contract director/manager responsible for this Agreement (as set forth on the Cover Sheet) of new products (branded or generic) that Seller plans to introduce to the market upon FDA approval. Seller also agrees to provide to Account, as soon as practical, a copy of the summary basis of approval or medical officer's report for new products approved by the FDA.

7.4 Value Adds. Additional product pricing provisions are set forth on attached Exhibit D. Any contractual arrangements between Seller and Participating Members to activate such additional pricing shall be subject to the requirements of Section 15.20 (Controlling Document) and Section 15.21 (Member Agreements) of this Agreement.

7.5 Jointly Negotiated Pricing. The parties recognize that the pricing contained in this Agreement was negotiated by Account, Mercy Health, PeaceHealth, SSM, and Bon Secours Health System (individually "IDN" and collectively "IDNs") acting in conjunction with each other as CCG. As a result, such pricing ("the Jointly Negotiated Pricing") between Seller and Account, Mercy Health, PeaceHealth, SSM, and Bon Secours Health System is contingent upon full acceptance of the same pricing by all four IDNs. Should any of Mercy Health, PeaceHealth, SSM, or Bon Secours Health System fail to execute a CRM agreement accepting the Jointly Negotiated Pricing within thirty (30) days following the execution of this Agreement, then pricing for each IDN shall revert back to pricing that was in effect immediately prior to the execution date of this Agreement, and Seller shall have no obligation to honor the Jointly Negotiated Pricing or any other terms of this Agreement related to the Jointly Negotiated Pricing.

8.0 MARKETING; SALES SUPPORT.

8.1 Seller Representatives. Seller will provide at no charge representatives to call upon Participating Members on a periodic basis mutually agreed to by Seller and each individual Participating Member.

8.2 In-Service/Clinical Training. Included in the price of the Product(s), Seller will provide to each Participating Member in-service and clinical training related to the Products as required or requested by each Participating Member.

9.0 PRODUCT PRICING INFORMATION; SALES DOCUMENTATION;

9.1 Product Pricing Information (Sales Catalogs). Seller will provide to Account Product pricing information, and Account shall have the right to disclose all such pricing information to Participating Members, provided such Participating Member agrees to the same level of confidentiality described herein.

9.2 Sales Documentation. Seller shall provide Account with quarterly reports of all Products purchased by and delivered to each Participating Member during each calendar month of the term. Seller shall provide Account such reports no later than forty-five (45) days after the last day of the applicable calendar month.

Effective as of July 1, 2013, in all data reports submitted to Account under this Agreement, Seller shall use the Global Trade Item Number (GTIN) to identify Products included on any data reports. Seller shall use commercially reasonable efforts to begin using the GTIN identification numbers from the Effective Date.

9.3 Participating Members' EDI Transaction Sets. Seller shall use best efforts to accommodate the requests of Participating

Members with respect to Seller's use of Electronic Data Interchange ANSI X.12 Transaction Sets, including without limitation, Transaction Sets 810 (invoice), 850 (purchase order), 855 (purchase order acknowledgment), and 856 (ship notice/manifest).

9.4 Supplier Quality Evaluation and Quality Standards Information. Seller shall comply with Account's requests for information and on-site surveys necessary to assure the qualification of the Seller as an eligible Seller consistent with the requirements of Account's Supplier Quality Review Process. Seller shall also comply with requests by Account or Participating Members for information necessary to assure the quality of Products.

9.5 Discount and Rebate Reports. Seller is obligated to (1) fully and accurately report any discount, rebate, or the existence of such (if not known at the time) on any invoice, coupon or statement submitted to a Participating Member, (2) inform all Participating Members in a manner reasonably calculated to give notice to each Participating Member of its obligation to report such discount and if Participating Member is required, to provide such information to the Secretary of the Department of Health and Human Services or a State agency, and (3) refrain from doing anything that would impede a Participating Member from meeting its obligations to report discounts and rebates. Where the value of a discount to a Participating Member is not known at the time of sale and later becomes known, Seller will then provide the Participating Member with documentation of the calculation of the discount identifying the specific products purchased to which the discount will be applied.

9.6 Failure to Provide Reports. Seller's failure to pass data formatting and submission compliance testing, or failure to remain compliant, or Seller's failure to provide the information and reports described in Sections 9.2, 9.3, 9.5 and/or 9.6 shall be deemed a material breach of this Agreement.

9.7 NDC/UPN Bar Coding Implementation. Seller acknowledges that national drug code ("NDC") and universal product numbering ("UPN") systems enhance standardization, product tracking and supply chain efficiencies through common use of standard product numbers or symbols. Seller supports Account's efforts to implement bar coding that adheres to either the EAN.UCC or HIBCC systems, on all patient package units. Such bar coding shall be at a grade C or above.

10.0 COMPLIANCE WITH LAWS AND REGULATIONS.

10.1 General. Seller represents and warrants that throughout the term of this Agreement and any extension hereof, Seller and all Products shall be and shall remain in compliance with all applicable federal, state and local laws and regulations, including without limitation all applicable "safe harbor" regulations. Seller warrants that it will comply with all applicable ethical and legal requirements with respect to its relationships with physicians and other clinicians, particularly those who are in a position to influence the purchasing decisions of Participating Members. In this regard, Seller shall also comply with each Participating Member's policies concerning such relationships. Seller shall disclose to Participating Members, per applicable regulations, the specified dollar value of discounts or reductions in price. The Parties acknowledge and agree that for purposes of 42 C.F.R. Section 1001.952(h), any reduction in the amount Seller charges a Participating Member is a "discount or other reduction in price" to the Participating Member. Participating Members shall disclose the specified dollar value of discounts or reductions in price under any state or federal program which provides cost or charge-based reimbursement

STANDARD TERMS AND CONDITIONS

to such Participating Members for the Products covered by this Agreement in accordance with applicable regulations.

If Seller provides an item without charge or at a reduced cost along with the purchase of other items or services (the "Other Items"), Seller will calculate the total price the Participating Member paid for all the items furnished, and then provide a reasonable allocation of that total price to each of the items on an invoice to the Participating Member. Seller warrants that such allocation among the items shall be reasonable and appropriate, and Seller recognizes that such allocation shall be relied upon by Participating Member in identifying its costs on the Medicare cost report. Seller further warrants that the Free or Discounted Item and the Other Items are reimbursed by the same Federal health care program using the same methodology.

Seller agrees that, until the expiration of four (4) years after the furnishing of any goods and services pursuant to this Agreement, it will make available, upon written request of the Secretary of Health and Human Services or the Comptroller General of the United States or any of their duly authorized representatives, copies of this Agreement and any books, documents, records and other data of Seller that are necessary to certify the nature and extent of the costs incurred by Participating Members in purchasing such goods and services. If Seller carries out any of its duties under this Agreement through a subcontract with a related organization involving a value or cost of ten thousand dollars (\$10,000) or more over a twelve-month period, Seller will cause such subcontract to contain a clause to the effect that, until the expiration of four (4) years after the furnishing of any good or service pursuant to said contract, the related organization will make available upon written request of the Secretary of Health and Human Services or the Comptroller General of the United States or any of their duly authorized representatives, copies of this Agreement and any books, documents, records and other data of said related organization that are necessary to certify the nature and extent of costs incurred by Seller for such goods or services. Seller shall give Account notice immediately upon receipt of any request from the Secretary of Health and Human Services or the Comptroller General of the United States or any of their duly authorized representatives for disclosure of such information.

Seller represents that as of the Effective Date of this Agreement, Seller has not: (a) been listed by any federal or state agency as excluded, debarred, suspended or otherwise ineligible to participate in federal and/or state programs; or (b) been convicted of any crime relating to any federal and/or state program. Seller further agrees to immediately notify Account in writing in the event Seller is listed by a federal or state agency as excluded, debarred, suspended or otherwise ineligible to participate in any federal and/or state programs or if Seller is convicted of any crime relating to any such program, or if Seller is being investigated by any federal or state agency in relation to any federal and/or state program.

10.2 HIPAA Compliance. Seller represents and warrants that to the extent applicable it shall, with respect to its obligations under this Agreement and interactions with Participating Members, comply with the requirements of the Health Insurance Portability and Accountability Act of 1996, Pub. L. No. 104-191 (the "Act"), the privacy standards adopted by the U.S. Department of Health and Human Services ("HHS") as they may be amended from time to time, 45 C.F.R. parts 160 and 164, subparts A and E (the "Privacy Rule"), the security standards adopted by HHS as they may be amended from time to time, 45 C.F.R. parts 160, 162 and 164, subpart C (the "Security Rule"), and the Privacy provisions (Subtitle D) of the Health Information Technology for Economic Clinical Health Act, Division A, Title XIII of Pub. L. 111-5, and its implementing regulations (the "HITECH Act") to

the extent it is a "Business Associate" under the Act. Without limiting the foregoing, if Seller serves in the capacity of a Business Associate for a Participating Member in connection with its obligations under this Agreement, Seller and Participating Member will execute a Business Associate separate from this agreement.

10.3 Joint Commission Compliance. Seller shall promptly cooperate with any Participating Member's reasonable request for assistance and information in connection with such Participating Member's efforts to comply with the requirements and standards of The Joint Commission, or similar accreditation organization.

11.0 INDEMNIFICATION; WARRANTIES; SPECIFICATIONS AND NOTICES.

11.1 Indemnification. Seller hereby agrees to indemnify, defend and hold harmless Account and each Participating Member and their respective affiliates, directors, officers, employees, agents, and insurers from and against any and all claims, demands, actions, losses, expenses, damages, liabilities, costs (including, without limitation, interest, penalties and reasonable experts' and attorneys' fees) and judgments, in whatever jurisdiction brought, under either federal or state law, arising out of or substantially related to: (a) alleged bodily injury, wrongful death, property damage or any other damage or injury allegedly caused by in whole or in part, contributed to by or associated with any of the Products covered by this Agreement, (b) any alleged acts or omissions of Seller or its employees and agents acting under its control or supervision, (c) the alleged direct or contributory infringement of any intellectual property right, including any patent, trademark, copyright or trade secret right, by (i) any of the Products; (ii) the labels, labeling, packaging, instructions and other materials supplied therewith; or (iii) their contemplated uses; and (d) the alleged inducement of infringement of any such intellectual property right by Account's inclusion of any of the Products in its approved list of products and its other normal business conduct related thereto. Account hereby agrees to indemnify, defend and hold harmless Seller and its affiliates, directors, officers, employees, agents, and insurers from and against any and all claims, demands, actions, losses, expenses, damages, liabilities, costs (including, without limitation, interest, penalties and reasonable attorneys' fees) and judgments arising out of the acts or omissions of Account and its employees and agents acting under its control or supervision.

11.2 Warranties and Published Specifications. Seller hereby warrants that all Products supplied hereunder shall be free and clear of all liens and encumbrances, that Seller has good and merchantable title, and that each of the Products shall conform to the published specifications for such Product and Seller's representations regarding the functions and uses for which the Product is marketed. All of the warranties referenced or set forth in this Section 11.2 shall be in addition to all other warranties which may be prescribed by law. Seller further represents and warrants that: (a) the Products; (b) the packaging, instructions and other materials supplied therewith; and (c) their contemplated uses do not and will not directly infringe, or contribute to the infringement of, any intellectual property right, including any patent, copyright, trademark or trade secret right.

Seller warranties are as specified in the credit replacement policy enclosed in product packaging. In the event of Exhibit E (if applicable) or any of Seller's warranty documents ("Warranty Documents") contains a limitation of liability, such limitation of liability shall not apply to Seller's indemnification obligations under Section 11.1 of this Agreement. Seller agrees that in the event any Warranty

STANDARD TERMS AND CONDITIONS

Documents contain a limitation on the amount of damages that may be paid to a customer, including Participating Member, such limitation will not apply with respect to Products.

11.3 Product Notices. Seller agrees to send all Product notices (including without limitation recall notices and product availability notices), as well as notices of any other changes affecting the Products and notices of new Products, to each Participating Member with copies to Account. Seller shall provide Account written notice of any Class I FDA recall affecting any of the Products within the time specified by the applicable recall notice. Seller shall provide Account written notice of any Class II or Class III FDA recall affecting any of the Products within the time specified by the applicable recall notice. Further, Seller agrees to immediately notify Account and each Participating Member of any problems in the manufacture or production of any Products and of any backorder situation that might affect Seller's ability to meet Seller's obligations under this Agreement. Upon Account's request, Seller shall provide Account copies of any FDA Form 483, regulatory letter, and/or warning letter relating to the Products and Seller's response thereto.

11.4 Insurance. Seller shall maintain adequate products liability, general public liability, workers' compensation, and property damage insurance against any claim or claims which might or could arise regarding Products purchased by Participating Members from it under the Agreement. Seller shall make Account a named additional insured in Seller's insurance policy containing the required coverage. When requested by Account, an insurance certificate indicating the foregoing coverage, issued by an insurance company licensed to do business in the relevant state or states and signed by an authorized agent, shall be furnished to Account. Seller shall provide Account with at least thirty (30) days prior written notice of any cancellation or material modification of such insurance.

Seller agrees to secure and maintain insurance, in conjunction and connection with its performance of this Agreement a policy or policies of insurance or self-insurance written by and secured from companies rated no less than B+ in accordance with the latest edition ratings published by A.M. Best Company, Inc. In particular, Seller will maintain the following Insurance Coverage: (i) Commercial General Liability of at least \$1 million per occurrence and \$2 million in the aggregate and (ii) Products Liability/Completed Operations of at least \$5 million in the aggregate; and (iii) Worker's Compensation in accordance with applicable statutory requirements and limits, containing a waiver of subrogation for ACCOUNT.

In addition, Seller shall cause ACCOUNT to be named as an additional insured party under the policies providing such insurance only upon full execution of this Agreement. Seller shall also furnish Certificates of Insurance, satisfactory to ACCOUNT as to contents and carriers, for the coverages required above. The insurance provided by this Certificate is to be considered primary over all other collectable insurance. In addition, Seller will use commercially reasonable efforts to provide ACCOUNT at least thirty (30) days advance written notice of cancellation, termination, non-renewal, or material change of such coverage. This section shall survive the termination or expiration of the Agreement.

12.0 TERMINATION.

12.1 Termination for Breach. In the event of a breach of any provision of this Agreement, the non-breaching party shall notify the breaching party in writing of the specific nature of the breach and shall request that it be cured. If the breaching party does not cure the

breach within thirty (30) days of such notice, the non-breaching party may immediately terminate this Agreement effective on the date specified in written notice to the breaching party, and such termination shall not preclude the non-breaching party from pursuing any and all remedies available to it at law or in equity.

12.2 Orders Placed Prior to Termination. Seller shall fulfill, in accordance with the terms of this Agreement, all orders for Products submitted by Participating Members and received by Seller prior to termination or expiration of this Agreement.

12.3 Termination Rights. Either party may terminate this Agreement at any time without cause or penalty upon providing the other party with ninety (90) days' advance written notice.

Notwithstanding any other provision of this Agreement, in the event that any Product or its use is alleged to be part of an infringement of any intellectual property right, including any patent, trademark, copyright or trade secret right, or in the event of reasonable grounds for believing that such an allegation may be made, Account may withdraw such Product from this Agreement upon written notice to Seller and may notify its Participating Members of the withdrawal and of Account's reasons for the withdrawal. Account may withdraw the Product to avoid the claim or potential claim of infringement, even though there may be substantial defenses to that claim.

12.4 Survival. The following paragraphs of this Agreement shall survive expiration or termination of this Agreement: (a) Article 10.0 but only with respect to Products ordered prior to the effective date of expiration or termination and delivered after expiration or termination (b) the submission of sales documentation and administrative fee reports pursuant to Sections 9.3 and 9.6; (c) the audit undertakings set forth in Section 15.12, but only for a two-year period following expiration or termination of this Agreement; (d) the representations, warranties and covenants set forth in Section 12.2; (e) the indemnification undertaking contained in Section 12.1; (f) the designation of Participating Members as third party beneficiaries pursuant to Section 15.7; (g) the undertaking to fill orders submitted to and received by Seller prior to the date of expiration or termination set forth in Section 13.2; (h) the confidentiality undertakings contained in Article 14; (i) the rights and limitations on assignment contained in Sections 15.4 and 15.10; (j) the governing law provisions contained in Section 15.1; (k) reasonable attorney's fees provided for in Section 15.9; and (l) compliance with laws and regulations provided for in Article 11.0.

13.0 CONFIDENTIALITY.

13.1 Confidential Information. For the purposes of this Agreement, confidential information ("Confidential Information") shall mean all proprietary, secret or confidential information or data relating to Account, Participating Members, or Seller and their respective operations, employees, services, patients or customers, including purchase data and pricing information under this Agreement.

13.2 Protection of Confidential Information. Seller and Account acknowledge that Seller, Account, or Participating Members may disclose Confidential Information to each other in connection with this Agreement. If Seller or Account receives Confidential Information, it shall: (a) maintain the Confidential Information in strict confidence; (b) use at least the same degree of care in maintaining the secrecy of the Confidential Information as it uses in maintaining the secrecy of its own proprietary, secret, or confidential information, but in no event less than a reasonable degree of care; (c) use Confidential Information only to fulfill its obligations under this Agreement; and (d) return or destroy all

STANDARD TERMS AND CONDITIONS

documents, copies, notes, or other materials containing any portion of the Confidential Information upon request by Account or Seller. Account recognizes that Member Agreements may contain confidential information not subject to disclosure to Account. Notwithstanding the foregoing, Account shall have the right to disclose Confidential Information to third parties as necessary for Account to provide support services for Participating Members in connection with this Agreement, provided any such third parties agree to the same level of confidentiality as described herein.

13.3 Agreement Confidentiality. Except as otherwise permitted by this Agreement, neither Account nor Seller shall disclose the terms of this Agreement to any other person or entity outside its organization and affiliates other than to a Participating Member or as required by law. For purposes of this provision, an affiliate is an entity in which Account or Seller, as appropriate, maintains a controlling ownership position in, and the disclosure is required so that the disclosing party may fulfill its obligations hereunder. No disclosure to any affiliate will occur unless such affiliate agrees to be bound by the same level of confidentiality as described herein for the parties. Neither party shall make any public announcement, exclusive of communications to Participating Members, concerning the terms of this Agreement unless such party receives prior written approval by the other party.

13.4 Limitation on Obligation. Seller and Account shall have no obligation concerning any portion of the Confidential Information which: (a) was known to it before receipt, directly or indirectly, from the disclosing party; (b) is lawfully obtained, directly or indirectly, by it from a non-party which was under no obligation of confidentiality; (c) is or becomes publicly available other than as a result of an act or failure to act by the receiving party; (d) is required to be disclosed by the receiving party by applicable law or legal process; or (e) is developed by the receiving party independent of the Confidential Information disclosed by the disclosing party. The receiving party shall not disclose any portion of the Confidential Information to any person except those of its employees and affiliates having a need to know such portion to accomplish the purposes contemplated by this Agreement.

13.5 License Granted to Seller. Account has developed Confidential Information (as defined in Section 14.1 above) and trade secrets relating to the sale of goods to a large number of customers in the healthcare industry using proprietary business processes. Seller acknowledges that Account and its affiliates have invested substantial money in the development and maintenance of such processes and in the sourcing and sales of Products. Seller will have a position of special trust and confidence for the use of such Confidential Information (including without limitation the roster of Participating Members set forth in Exhibit B hereto) to support the purposes of this Agreement. Accordingly, only for the term of this Agreement, Account hereby grants to Seller a non-exclusive license to use Confidential Information and such trade secrets for the limited purpose of providing the Products to Account and Participating Members under this Agreement.

13.6 Data. Seller hereby acknowledges and agrees that all information and data generated by Participating Member purchases of Products or otherwise made available to Seller as a result of the participation of Participating Members under this Agreement, including any Member Agreements. ("Participating Member Data") is proprietary to and mutually owned by the applicable Participating Member and/or Account. Seller shall not sell, market or commercialize Participating Member Data, create derivative products or applications based on Participating Member Data or otherwise use Participating Member Data in any manner unrelated to the performance of Seller's obligations under

this Agreement. Seller hereby consents to the release to Account of transactional data relating to purchasing activity by Participating Members under this Agreement. Such consent shall extend to the release to Account of such data by any third party that operates an electronic marketplace or exchange and Authorized Distributors.

14.0 MISCELLANEOUS.

14.1 Governing Law and Venue. This Agreement is being delivered and executed in the state of Washington. Any controversy, claim or dispute arising out of, accruing or relating to this Agreement between Account and Seller shall be resolved exclusively by binding arbitration in accordance with the commercial arbitration rules of the American Arbitration Association ("AAA"). The arbitration shall be heard before a panel of three (3) neutral arbitrators who will have no power or authority to award treble, punitive, exemplary, consequential, or other damages not measured by the prevailing party's actual damages. The proceeding will be held in Washington state and each party will bear its own costs of the arbitration, as well as its own attorneys' fee. The decision of the arbitrators shall be final and binding and the parties irrevocably submit to the jurisdiction of the United States District Court for Washington state for enforcement of the arbitral award.

In the event of any dispute arising out of this Agreement, whether at law or in equity, brought by or against a Participating Member, the validity, construction and enforcement of this Agreement shall be governed in all respects by the laws of the State where the Participating Member is located and venue shall be proper only in a court of competent jurisdiction located in the county and state in which such member is located. The parties agree to be subject to personal jurisdiction in and consent to service of process issued by a court in which venue is proper as defined in this Section 15.1.

14.2 Modification and Waiver. No modification of this Agreement shall be deemed effective unless in writing and signed by each of the parties hereto. Any waiver of a breach of any provision(s) of this Agreement shall not be deemed effective unless in writing and signed by the party against whom enforcement of the waiver is sought.

14.3 Headings. The descriptive headings of the sections of this Agreement are inserted for convenience only and shall not control or affect the meaning or construction of any provision hereof.

14.4 Assignment. Either party shall have the right, without the other party's consent, to assign its rights, title and interest under this Agreement to any entity owned or controlled by such party or under common ownership or control with such party. Except as set forth in the foregoing sentence, neither party may assign, subcontract, delegate or otherwise transfer this Agreement or any of its rights or obligations hereunder, nor may it contract with third parties to perform any of its obligations hereunder except as contemplated in this Agreement, without the other party's prior written consent.

14.5 Severability. If any part of this Agreement shall be determined to be invalid, illegal or unenforceable by any valid Act of Congress or act of any legislature or by any regulation duly promulgated by the United States or a state acting in accordance with the law, or declared null and void by any court of competent jurisdiction, then such part shall be reformed, if possible, to conform to the law and, in any event, the remaining parts of this Agreement shall be fully effective and operative insofar as reasonably possible.

14.6 Notices. Any notice required to be given pursuant to the terms and provisions hereof shall be in writing, postage and delivery charges pre-paid, and shall be sent by hand delivery, overnight mail service, first-class mail or certified mail, return receipt requested, to Account or Seller at the addresses on the Cover Sheet. Any party may change the address to which notices are to be sent by notice given in accordance with the provisions of this section. Notices hereunder shall be deemed to have been given, and shall be effective upon actual receipt by the other party, or, if mailed, upon the earlier of the fifth (5th) day after mailing or actual receipt by the other party. Seller shall provide a copy of any notice to Account provided under this Section to the following address:

PeaceHealth
1115 SE 164th
Vancouver, WA 98683

Account shall provide a copy of any notice to Seller provided under this Section to the address provided on the Cover Sheet of this Agreement.

14.7 Enforceability. The parties hereto acknowledge and agree that (a) this Agreement is entered into by Account for the express, intended benefit of Participating Members, (b) each of the Participating Members shall be and constitute an intended third-party beneficiary of the representations, warranties, covenants and agreements of the Seller contained herein, and (c) each of the Participating Members shall be entitled to enforce the terms and provisions of this Agreement to the same extent as Account.

14.8 Independent Contractors. The parties' relationship hereunder is that of independent contractors. This Agreement does not create any employment, agency, franchise, joint venture, partnership or other similar legal relationship between Account and Seller. Neither party has the authority to bind or act on behalf of the other party except as otherwise specifically stated herein.

14.9 Attorneys' Fees. Should any party engage an attorney for the purpose of enforcing this Agreement or any judgment based hereon in any court, including bankruptcy court, courts of appeal or arbitration proceedings, each party shall be reasonable for its attorneys' fees and court costs.

14.10 Binding Effect. This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and permitted assigns. If a digital signature is used to sign this Agreement, all parties agree that it will have the same value, force and effect as a written signature.

14.11 Force Majeure. The obligations of either party to perform under this Agreement will be excused during each period of delay caused by acts of God, war or terrorism, or by shortages of power or materials or government orders which are beyond the reasonable control of the party obligated to perform and prevents the party from being able to perform ("Force Majeure Event"). In the event that either party ceases to perform its obligations under this Agreement due to the occurrence of a Force Majeure Event, such party shall: (a) immediately notify the other party in writing of such Force Majeure Event and its expected duration; (b) take all reasonable steps to recommence performance of its obligations under this Agreement as soon as possible. In the event that any Force Majeure Event delays a party's performance for more than thirty (30) days following notice by such party pursuant to

this Agreement, the other party may terminate this Agreement immediately upon written notice to such party.

14.12 Audit of Costs. Seller shall permit Account or its agent to conduct one audit per contract year of records relating to Seller's performance under this Agreement including without limitation relevant orders, invoices, volume reports and administrative fees. At a minimum, Seller shall maintain and have available for review the following documents in connection with an audit: electronic copies of volume and administrative fee files previously sent to Account, copies of the Membership Rosters utilized by Seller in performing under this Agreement, records of all sales made to Participating Members during the relevant contract year that is under this Agreement (in a format that allows for re-querying of the data), an electronic listing of all Products purchased during the relevant contract year under the term of this Agreement (in a format that allows for re-querying of the data) which can be used as the basis for confirming total Participating Member purchase volume during the relevant contract year under this Agreement, a cross reference between Seller's internal customer numbers and Account-approved entity code numbers (in the event that Account's entity code numbers are not loaded into Seller's information system) and Participating Member Designation Forms and/or letters of commitment and their effective dates. The audits shall be conducted upon reasonable advance notice during regular business hours and in such a manner as not to unduly interfere with Seller's operations.

14.13 Minority, Woman-Owned and Small Businesses. Upon request, Seller shall provide to Account a copy of Seller's current supplier diversity policy if applicable.

Notwithstanding any provision to the contrary in this Agreement, Account shall have the right at any time to contract with any supplier that (i) has been certified by a state or federal agency as a Small, Minority, Woman-Owned and/or Veteran-Owned business (collectively, "Diversity Suppliers"), regardless of any limitation on the number of contracted suppliers or other restrictions set forth in the Agreement. Purchases by Participating Members from Diversity Suppliers shall not be counted against any participation level or percentage purchasing requirements set forth in this Agreement and shall have no effect on Seller's pricing and other terms under this Agreement.

14.14 Entire Agreement. This Agreement, including the Cover Sheet, the Additional Terms and Conditions (if any) and all Exhibits hereto, constitutes the entire understanding and agreement between Seller and Account concerning the subject matter hereof, and supersedes all prior negotiations, agreements and understandings between Seller and Account, whether oral or in writing, concerning the subject matter hereof.

14.15 Labor and Employment Laws. Seller represents and warrants that it complies and will comply with applicable labor and employment laws and prohibits any form of child labor or other exploitation of children in the manufacturing and delivery of Products, consistent with provisions of the International Labor Organization's Minimum Age Convention of 1973. A child is any person who is less than fourteen (14) years of age or who is younger than the compulsory age to be in school in the country in which Seller's business is being conducted, if that age is higher than fourteen (14).

14.16 No Additional Obligations Imposed by Seller. Except as expressly permitted by this Agreement, Seller shall not impose any obligations on Account and/or Participating Members as a condition to receiving any of the benefits set forth in this Agreement.

STANDARD TERMS AND CONDITIONS

14.17 Counterparts. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, and all of which together shall constitute one and the same agreement.

14.18 Electronic Commerce. Seller hereby acknowledges that Account and/or its affiliates are currently developing technology and electronic commerce ("e-commerce") processes which may enable Participating Members and Seller to more efficiently purchase and sell products, supplies and equipment, exchange information and make payments (e.g., through use of the Internet). Seller shall use its best efforts to implement within a reasonable amount of time any e-commerce system adopted by Account and/or its affiliates for purchasing activities (including without limitation Supply Chain Advisor and GHX applications) and shall cooperate with Account and/or its affiliates in integrating any such e-commerce systems into Seller's systems. Any such e-commerce system shall be owned by and proprietary to Account and/or its affiliates. Further, Seller agrees during the term of this Agreement not to direct or otherwise encourage Participating Members to use e-commerce systems other than the system promoted, developed and/or operated by Account and/or its affiliates.

14.19 New Technology. New Technology is defined as a new product that provides compelling enhanced clinical outcomes (revolutionary). New Technology is not the next iteration of a model with additional features (evolutionary). Revolutionary Technology will be added to the agreement at a mutually negotiated price by way of amendment. Evolutionary Technology will be added to the agreement at a price not greater than the most similar product by way of amendment. All new technology must be approved by Account prior to use.

14.20 Controlling Document. Except as otherwise noted in this Agreement, in the event of any conflict between the terms and conditions contained in this Agreement and the terms and conditions of any document, instrument or agreement prepared by Seller (including without limitation, Seller's warranty documents, price quotations, invoices and any Member Agreements), the terms of this Agreement shall control. In the event of any conflict between Account Standard Terms and Conditions and any Exhibits, the terms of the Account Standard Terms and Conditions shall control.

14.21 Member Agreement(s). For all Participating Members included in Exhibit B to this Agreement, in the event Seller and any such Participating Member enter into a separate Member Agreement for CRM products during the term of this Agreement, pricing shall revert to pricing that was in effect immediately prior to the execution date of this Agreement for Account and each IDN, and all other terms and conditions of this Agreement would remain in effect.

14.22 Unencumbered Access. The pricing offered herein is contingent upon Seller having unrestricted access and availability to sell the products covered by this Agreement for up to and including one hundred percent (100%) of Participating Member's needs for this type of product. In the event any Participating Member takes any action that limits or restricts Seller's ability to do so, pricing will revert to that which was in effect immediately prior to the execution date of this Agreement for all purchases made by Participating Member after the date of noncompliance..

Special Terms

Dual Vendor Terms – Facility Level

Participating Member agrees Seller shall be one of two vendors during the period of this Agreement for CRM products, meaning that Participating Member shall fulfill 85% of its CRM products (both Denovo and Change outs) through purchases from Seller and one other vendor. Any competitive technology which Seller does not offer a functional equivalent shall be excluded from compliance measurements. There shall not be a defined market share requirement for either of the two vendors. Participating Member must provide Seller with data supporting Dual Vendor status within 45 days from the end of the semi-annual contract period. Pricing will increase to the appropriate tier in the event of noncompliance or not providing data regarding Dual Vendor commitment.

Dual Vendor Terms – IDN Level

Participating Member IDN agrees Seller shall be one of two vendors during the period of this Agreement for CRM products, meaning that all Participating Members within the respective IDN shall fulfill 85% of its CRM products (both Denovo and Change Outs) through purchases from Seller and one other vendor. Any competitive technology which Seller does not offer a functional equivalent shall be excluded from compliance measurements. There shall not be a defined market share requirement for either of the two vendors. Participating Member IDN must provide Seller with data supporting Dual Vendor status within 45 days from the end of the semi-annual contract period. Pricing will increase to the appropriate tier in the event of noncompliance or not providing data regarding Dual Vendor commitment.

Agreement Requirement

An agreement must be mutually agreed upon and executed by both parties prior to the implementation of any programs offered herein.

PURCHASE ORDER REQUIREMENTS

Participating Member agrees to issue, or to have its authorized agent issue, Seller a purchase order ("P.O.") reflecting the purchase value referenced herein for the Products (plus any applicable shipping and taxes) promptly upon execution of this Agreement. No Products will be shipped and no services will be performed prior to receipt of this P.O. In the event a third-party authorized agent of Participating Member issues the P.O. on Participating Member's behalf, Participating Member hereby guarantees payment upon default of any such agent.

SUBMISSION OF PURCHASE ORDER ABSENT A FULLY EXECUTED AGREEMENT

The terms and conditions set forth in this Agreement constitute an offer from Seller to Participating Member relative to Participating Member's purchase of the products covered hereby from Seller. In the event that Participating Member submits a purchase order to Seller for the products referenced herein without signing this Agreement, the submission of such purchase order shall constitute Participating Member's acceptance of the terms and conditions herein.

CARDIOMEMS™ HF SYSTEM TERMS & CONDITIONS FOR US CLINICS

By signing this Agreement, HCA Management Services, L.P., its Participating Members, employees and agents agree to be bound by and comply with the "CardioMEMS™ HF System TERMS AND CONDITIONS FOR U.S. CLINICS" posted at https://cardiomemshf.com/Terms_and_Conditions.pdf as they may be modified from time to time (the "User Terms"). The User Terms are incorporated herein by this reference and may be modified from time to time by posting updated terms on www.cardiomemshf.com (the "Website"). In the event of any conflict, the User Terms shall prevail with respect to services available to Participating Members as part of the CardioMEMS HF System.

CONFLICT BETWEEN CONTRACT AND PURCHASE ORDER

This Agreement along with the User Terms (as they may be modified from time to time by posting updates at www.cardiomemshf.com) contains the entire Agreement between the parties related to the subject matter hereof, and terms of this Agreement shall supersede and replace all prior or conflicting agreements, representations, promises or conditions between the parties with respect to the sale of the products covered hereunder to Participating Member, including but not limited to any additional or conflicting provisions contained in purchase orders or other documentation submitted by Participating Member. This Agreement may not be amended or assigned except by written agreement signed by both parties (except for modifications to the User Terms as described above).

Program Details

Facility Level Dual Vendor

1. **Program Terms.** Participating Member agrees Seller shall be one of two vendors to provide Cardiac Rhythm Management Products (CRM) for the term of the Agreement in exchange for the “Participating Member Discounted Price” for CardioMEMS™ PA Sensor and Delivery Systems (“CardioMEMS Sensors”) set forth in the table above.
2. **Price Reduction.** In exchange for this Dual Vendor commitment and performance in CRM Products, Seller agrees to provide to Participating Member a price reduction on the CardioMEMS Sensors. The price reduction will be equivalent to a discount to \$545 per unit from the current price of \$23,495 as set forth in the table above.

IDN Level Dual Vendor

1. **Program Terms.** Participating Member IDN agrees Seller shall be one of two vendors to provide Cardiac Rhythm Management Products (CRM) to its Participating Members for the term of the Agreement in exchange for the “Participating Member Discounted Price” for CardioMEMS™ PA Sensor and Delivery Systems (“CardioMEMS Sensors”) set forth in the table above.
2. **Price Reduction.** In exchange for this Dual Vendor commitment and performance in CRM Products, Seller agrees to provide to Participating Member a price reduction on the CardioMEMS Sensors. The price reduction will be equivalent to a discount to \$1,045 per unit from the current price of \$23,495 as set forth in the table above.

Additional Terms

3. **Compliance, Documentation of Price Reduction and Reporting.** Participating Member is reminded of its legal and compliance obligations as set forth in the Agreement above (in the section captioned “Compliance with Laws”). In this Agreement and Exhibit Seller has provided Participating Member with the Price of the CardioMEMS Sensors (above), and the Price for CRT Products is equivalent to Participating Member’s current contractual, quoted or otherwise established price with Seller. Seller has also provided Participating Member with a description of the Program Terms and Price Reduction. In addition, Seller will provide Participating Member, in regular invoices, the total net discounted price paid for each CRT Product and the CardioMEMS Sensors. It is incumbent upon Participating Member, and Participating Member acknowledges that it is Participating Member’s responsibility to comply with its obligations as a buyer under the discount safe harbor to the Anti-Kickback Law. This includes determining, as appropriate, the net effective discounted price of each CRT Product and each CardioMEMS Sensors. That determination may include allocation or apportionment of the Price Reduction among these products, in light of the Program Terms and Price Reduction set forth above. Participating Member’s obligations also include accurately reporting this information on cost reports or any other documentation provided to federal health care programs.
4. **Mechanics.**
 - a. Participating Member/IDN agrees Seller shall be one of two vendors during the period of this Agreement for CRM products, meaning that Participating Member/IDN shall fulfill 85% of its CRM products (both Denovo and Change outs) through purchases from Seller and one other vendor. Any competitive technology which Seller does not offer a functional equivalent shall be excluded from compliance measurements. There shall not be a defined market share requirement for either of the two vendors. Participating Member/IDN must provide Seller with data supporting Dual Vendor status within 45 days from the end of the semi-annual contract period.
 - b. Pricing will be renegotiated in the event Participating Member does not meet the Program Terms or does not provide the data set forth above.
 - c. MS data is calculated as the percentage of total Seller spend vs. the total aggregate spend purchased by Participating Member during the period for each respective product category detailed above.

EXHIBIT E
EXPLANT WARRANTY

1. Participating Member may from time to time be unaware of the availability of credits due for explanted replacement devices covered under manufacturer warranty, resulting in a lost opportunity by Participating Member to receive such credits.
2. Participating Member's expectations of the Manufacturer are for the representative of the manufacturer selling CRM devices to Participating Member to take a direct role in assisting Participating Member with compliance with its warranty process for explanted devices, so that Participating Member will receive credits for medical devices that have been explanted, and for which a warranty credit is due.
3. The Manufacturer representatives shall provide reasonable assistance to Participating Member personnel with respect to filing claims and meeting requirements related to the manufacturer's policies regarding warranty claims; however Participating Member shall remain ultimately responsible for ensuring that it meets all such requirements. Participating Member must return the device and all required documentation to manufacturer or manufacturer's representatives per the warranty terms.
4. The Manufacturer agrees that it will implement all appropriate safeguards to prevent a delay in issuance of credits:
 - a. Promptly upon notice by a Participating Member facility that a device has been explanted, Manufacturer shall supply that Participating Member facility return packaging with accurate instructions for where the device and/or lead(s) should be returned for all explanted devices.
 - b. Upon request by a Participating Member facility, Manufacturer shall clearly communicate requester, the deadline for device return in order to qualify for the warranty credit.
 - c. In the event a Participating Member facility returns the explanted devices directly to manufacture's field representatives, Manufacturer shall supply the facility the tracking and delivery confirmation of the returned device and/or lead(s).
 - d. Manufacturer shall supply Participating Member a copy of the credit memo or refund of the device and/or lead if applicable.
